WHAT DO WE KNOW ABOUT THE ELPS?

TURN AND TALK

0:30

What are the ELPS?

English language proficiency standards that outline the instruction school districts **must provide to ELLs** in order for them to have the full **opportunity** to learn English and to succeed academically.

ENGLISH LANGUAGE PROFICIENCY STANDARDS

The English Language Proficiency Standards (ELPS), as required by 19 Texas Administrative Code, Chapter 74, Subchapter A, §74.4, outline English language proficiency level descriptors and student expectations for English language learners (ELLs). School districts are required to implement ELPS as an integral part of each subject in the required curriculum.

School districts shall provide instruction in the knowledge and skills of the foundation and enrichment curriculum in a manner that is linguistically accommodated commensurate with the student's levels of English language proficiency to ensure that the student learns the knowledge and skills in the required curriculum.

School districts shall provide content-based instruction including the cross-curricular second language acquisition essential knowledge and skills in subsection (c) of the ELPS in a manner that is linguistically accommodated to help the student acquire English language proficiency.

<http://ritter.tea.state.tx.us/rules/tac/chapter074/ch074a.html#74.4>

Choose appropriate ELPS to support instruction.

ELPS.c.1	The ELL uses language learning strategies to develop an awareness of his or her own learning processes in all content areas. In order for the ELL to meet grade-level learning expectations across the foundation and enrichment curriculum, all instruction delivered in English must be linguistically accommodated (communicated, sequenced, and scaffolded) commensurate with the student's level of English language proficiency. The student is expected to:
ELPS.c.1A	use prior knowledge and experiences to understand meanings in English
ELPS.c.1B	monitor oral and written language production and employ self-corrective techniques or other resources
ELPS.c.1C	use strategic learning techniques such as concept mapping, drawing, memorizing, comparing, contrasting, and reviewing to acquire basic and grade-level vocabulary
ELPS.c.1D	speak using learning strategies such as requesting assistance, employing non-verbal cues, and using synonyms and circumlocution (conveying ideas by defining or describing when exact English words are not known)
ELPS.c.1E	internalize new basic and academic language by using and reusing it in meaningful ways in speaking and writing activities that build concept and language attainment

What are the ELPS?

MATCHING ACTIVITY

With your matching partner, take 30 seconds to discuss how you have used the ELPS?

Exemplar: For Listening, it says listening to a peer, I know that in my class we do frequent turn and talks to help with listening.

SECOND LANGUAGE ACQUISITION STAGES

SO...HOW
DO WE
GET THIS
DONE???

Language Objectives

Writing language objectives can be a powerful **first step** in ensuring that English learners have **equal access** to the curriculum even when they are not fully proficient in the language.

Language Objectives

3rd grade Science, States of Matter

Content Area Standard

California: Students know that matter has three forms: solid, liquid, and gas.

Content Objective

Students will be able to distinguish between liquids, solids, and gases and provide an example of each.

Language Objective

Students will be able to **orally describe** characteristics of liquids, solids, and gases to a partner.

Language Objectives

4th grade Math, Two-Dimensional Figures

Content Area Standard

Common Core: Draw and identify lines and angles, and classify shapes by properties of their lines and angles.

Content Objective

Students will be able to classify triangles based on their angles.

Language Objective

Students will be able to **read descriptions** of triangles and their angles.

Language Objectives

7th Social Studies, Colonial Communities

Content Area Standard

New York: Students will use a variety of intellectual skills to demonstrate their understanding of the geography of the interdependent world in which we live.

Content Objective

Students will be able show how geographic features have affected colonial life by creating a map.

Language Objective

Students will be able to **summarize in writing** how geography impacted colonial life.

Translanguaging

Translanguaging allows students to use their full repertoire of language.

Translanguaging is **intentional** and **planned**.

Translanguaging is not a direct translation.

A need for Scaffolding!

- ELLs come to the classroom with a **wide range of educational backgrounds**
- **Varying levels** of English language proficiency
- Some ELLs may have the academic and linguistic ability to interact socially and academically
- Other ELLs may need support in understanding and making connections with grade-level content.

Scaffolding provides access into lessons/activities/tasks/content they may not be quite ready for yet.

Breaks concepts, skills, or learning experiences into parts

Support **decreases with time**

Students **develop autonomy**

Scaffolding Strategies

- ❑ Processing time
- ❑ Preview-View-Review
- ❑ Sentence stems/Paragraph frames
- ❑ Pre-teach vocabulary
- ❑ Restate & Revoice
- ❑ Color-coding text
- ❑ Realia & Visuals
- ❑ Total Physical Response
- ❑ Use exemplars
- ❑ Modeling

DO NOT WATER DOWN
MATERIAL: SCAFFOLD!

Teacher Behaviors to support SPEAKING

1. RESPECT STUDENTS SILENT PERIOD AND **DO NOT FORCE HIM/HER** TO SPEAK IF THEY ARE HESITANT TO PARTICIPATE
2. FOCUS ON THE **CONTENT OF STUDENTS RESPONSE** AND NOT ON PRONUNCIATION OR GRAMMATICAL ERRORS
3. ASSIGN ORAL PRESENTATIONS FOR THEM TO PRACTICE PRESENTING TO THE CLASS OR THEIR GROUP
- 4: ENCOURAGE** STUDENTS TO PARTICIPATE IN CLASSROOM DISCUSSIONS

Café Conversations Activity

- ❑ WHY SHOULD WE RESPECT STUDENTS SILENT PERIOD AND NOT FORCE HIM/HER TO SPEAK IF THEY ARE HESITANT TO PARTICIPATE?

Organize students into groups of 3-4 and place bulletin board paper over desks to create a paper “tablecloth.” Provide students a prompt or question, and have students discuss potential answers. Students write their final, individual responses on their paper “tablecloth.”

3:00

Teacher Behaviors to support LISTENING

1. SPEAK IN **CLEAR, CONCISE** MANNER, SUCH AS USING **SHORTER SENTENCES** AND FEWER PRONOUNS
2. EXTENSIVE USE OF **VISUAL AND VERBAL CUES** TO REINFORCE SPOKEN OR WRITTEN WORDS
3. **INCREASED WAIT TIME TO PROCESS** INFORMATION
4. ALLOW STUDENTS TO SEEK CLARIFICATION AS NEEDED

Choose and Chat Activity

- ❑ WHY IS IT IMPORTANT TO USE VISUAL AND VERBAL CUES TO REINFORCE SPOKEN OR WRITTEN WORDS

Students mingle while music plays then get a partner when the music stops.

Students **CHAT** with their partner justifying their response, symbol, or hand signal and help each other better understand the content.

Teacher sees and hears the students' thinking and clarifies/verifies as appropriate.

3:00

Teacher Behaviors to support READING

1. READ ALOUD TO MODEL ENUNCIATION AND THE USE OF ENGLISH LANGUAGE STRUCTURES
2. ALLOW STUDENT TO READ INDEPENDENTLY PROVIDING HIM/HER WITH ADDITIONAL TIME TO READ SLOWLY AND REREAD FOR CLARIFICATION
3. USE COOPERATIVE GROUPS TO ENCOURAGE AND PROVIDE STUDENT WITH ORAL READING OPPORTUNITIES
4. USE GRADE LEVEL TEXT TO PROMOTE VOCABULARY DEVELOPMENT

Teacher Behaviors to support WRITING

1. USE A FAMILIAR TOPIC TO BRAINSTORM
2. MODEL ORGANIZATION OF THOUGHTS USING SIMPLE SENTENCES
3. CREATE AN INTERACTIVE WORD WALL THAT THE STUDENT CAN USE DURING INDEPENDENT OR COOPERATIVE WRITING TASK
4. EXPOSE STUDENTS TO MULTIPLE EXAMPLES OF MENTOR TEXTS

Providing Students With Opportunities

1. USE SENTENCE STEMS
2. PROBING QUESTIONS TO PROMOTE SOCIAL AND ACADEMIC DISCLOSURE
3. ENSURE ACTIVITIES ARE DESIGNED TO INCLUDE PARTICIPATION FROM ALL LEVELS OF PROFICIENCY
4. ESTABLISH ROUTINES AND PROCEDURES TO PROMOTE A SUPPORTIVE LEARNING ENVIRONMENT

AS EDUCATORS, WHAT CAN WE DO TO SUPPORT OUR ESL STUDENTS?

Warm-Up

Do you think it's important for someone to express themselves, why or why not?

USE THESE SENTENCE STARTERS TO HELP YOU!!

I think it is really important to express yourself because.....

Expressing yourself can be difficult if you.....

When you express yourself you....

A sheet of white lined paper with horizontal blue lines and a vertical red margin line on the left side. The paper is oriented vertically. At the top right, the date '10/22/2022' is stamped. Below the date, the question 'Do you think it's important for someone to express themselves, why or why not?' is written in a simple, sans-serif font. Below the question, the sentence 'Expressing yourself can be difficult if you...' is written in the same font. There are three black dots on the left side of the page, one near the top, one in the middle, and one near the bottom, likely indicating punch holes. The rest of the page is blank, with only the blue lines visible.

Tuesday, OCTOBER 11, 2022

SWBAT to describe how the author's use of figurative language achieves specific purposes by making inferences.

Warm-Up:

Quick Write:

Who was Tupac Shakur? What is significant(important) about his work?

Tupac Shakur was a _____ ,
_____ and actor. His work is significant
because _____.

Warm up - Vocabulary

At your desks is a deck of Vocabulary cards, that are mixed up.

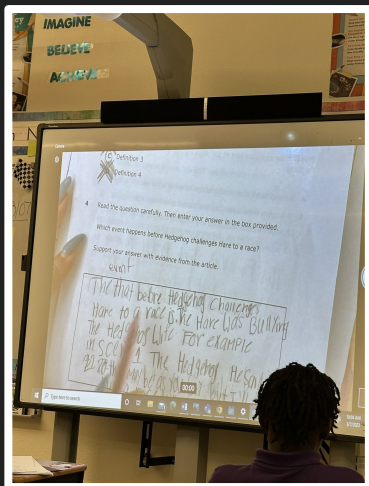

One card has an image that represents a word and another card has the definition. In you table groups match the word with the correct definition.

WE GOT THIS!

WHAT WILL YOU DO TO MAKE SURE YOU SUPPORT OUR EB STUDENTS?

What ESL strategy would you provide for this activity?

A ratio is the relationship between two quantities.

What ESL strategy would you provide for this activity?

What ESL strategy would you provide for this activity?

5 Read the following information about the origin of the word supervise.

from the Latin *super-* + *vidēre*, meaning "to see"

This information helps the reader know that the word supervises in paragraph 6 means —

- A encourages
- B judges
- C determines
- D watches

What ESL strategy would you provide for this activity?

1 Anissa shaded part of the figure shown below.

What fraction of the figure is shaded?

- A $\frac{6}{8}$
- B $\frac{1}{6}$
- C $\frac{2}{8}$
- D $\frac{2}{6}$

What ESL strategy would you provide for this activity?

A student reads the label on the bottle of salad dressing shown below.

Ingredients:
Oil, Vinegar, Spices.
Directions: Shake well before
using. Refrigerate after
opening.

Why would the student shake the salad dressing well before using it?

- A** Vinegar and oil have different densities.
- B** Vinegar and oil easily form a solution.
- C** Vinegar and oil both contain water.
- D** Vinegar and oil are both liquids.
